

Thinking Like an Economist

Question	True or False (Explain in 1 or 2 Sentences)	Economist
The best things in life are free.		
The largest cost of renting is how much you pay.		
You should always try your hardest in every class/ activity.		
You should always look into all the pros and cons of every college/university before applying.		

Reflection:

Do you think like an economist? Why do economists have these views? Are they sensible or do they go against human nature? (1-2 paragraphs).
